

# SUKO Nordic Rosehip powder

# SUKO

NORDIC

## Description

SUKO Nordic Rosehip Powder is manufactured from *Rosa canina* L. Seedlings of the mother plant are nursed in greenhouses and cultivated organic in own plantations in volcanic soil in the south of Chile. A unique climate with sunny days and cool nights provides the most optimal conditions for rosehip production.

**SUKO Nordic Rosehip Powder** is rich in antioxidants (vitamin C, lycopenes, beta-carotenes, flavonoids), has anti-inflammatory properties and has a high content of dietary fibers.

Rosehip powder from *Rosa canina* L has been tested for its positive effects on arthritis in a range of clinical trials (published in scientific journals over the last 8 years).

## Analysis of SUKO Nordic Rosehip powder

### Nutrition facts per 100 g

(GBA Gesellschaft für Bioanalytik mbH)

|                                  |          |

## Microbial and Heavy Metal analysis

### Microbiological Test

| Microbiological Test             | Result                 |
|----------------------------------|------------------------|
| Total plate count                | <10 <sup>4</sup> cfu/g |
| Moulds                           | <10 cfu/g              |
| Yeast                            | <10 cfu/g              |
| <i>E.coli</i>                    | <10 cfu/g              |
| <i>Enterobacteriaceae</i>        | <10 cfu/g              |
| Coliforms                        | <10 <sup>2</sup> cfu/g |
| Enterohemorrhagic <i>E. coli</i> | negative               |
| <i>Salmonella</i>                | negative               |
| <i>Bacillus cereus</i>           | negative               |
| <i>Staphylococcus aureus</i>     | negative               |
| <i>Listeria monocytogenes</i>    | negative               |
| <i>Clostridium perfringens</i>   | negative               |

### Chemical Test

| Chemical Test   | Result       |
|-----------------|--------------|
| Cadmium (As)    | < 0,01 mg/kg |
| Mercury (Hg)    | < 0,01 mg/kg |
| Lead (Pb)       | < 0,02 mg/kg |
| Arsenic         | < 0,04 mg/kg |
| Iron substances | < 10 mg/kg   |

## Physical characteristics

100% natural product without any additives

**Appearance:** Orange in color

**Flavor:** Slightly acidic and sweet taste

**Allergens:** This product is free from any known allergens

## Food supplement

**SUKO Nordic Rosehip Powder** is a 100% natural product used

- as anti-inflammatory, for example for arthritis
- to reduce the frequency and length of colds
- as supplement of dietary fibers to improve digestion

**Recommended daily intake:** 5 g (2 tsps) or 6 capsules

**Storage:** Store dry and not too warm

**Shelf-life:** Minimum 2 years

**Packaging sizes:** 150 g, 225 g or 400 g

**Rosehip powder in vegan capsules (Vcaps):** 200 pcs (150 g)
